August 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws; however, our staff is available to help you understand this information. Please contact School and Community Relations for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.farmington.k12.mi.us/district/annualreports/> or you may review a copy in the principal's office at your child's school.

The report contains the following information:

Student Assessment Data – Michigan Educational Assessment Program (MEAP), Michigan Merit Exam (MME), and Michigan's Alternative Assessment Program (MI-Access)

- Presents achievement data for English language arts and mathematics for grades 3 to 8 (MEAP), for grade 11 (MME) and science for grades 5 and 8 compared to targets for all students as well as subgroups of students
- Provides achievement data for English language arts, mathematics and science for students with significant disabilities (MI-Access) compared to targets for all students with disabilities as well as subgroups of students
- Helps readers understand achievement progress within schools and compare these to district and state achievement

Adequate Yearly Progress (AYP) – Detail Data and Status

Provides information from assessments, graduation and attendance rates and AYP status in relation to four criteria:

- The district must test 95% of students in total and in each required subgroup
- The district must attain achievement goals in English language arts and mathematics or reduce the percentage of students in the non-proficient category of achievement significantly ("safe harbor") annually
- The district must attain achievement goals for each subgroup that has at least 30 students in the group
- The district must meet or exceed the other academic indicators set by the state: graduation rate for high schools and attendance rate for elementary and middle schools

Office of the Superintendent

32500 Shiawassee Street
Farmington, MI 48336

Phone: 248.489.3339
Fax: 248.489.3334

E-mail: info@farmington.k12.mi.us
www.farmington.k12.mi.us

Teacher Quality Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8
- Cannot be compared with MEAP results for grades 4 and 8 because there are no national standards.

For 2010-2011, Farmington Public Schools made Adequate Yearly Progress (AYP) in English language arts and mathematics; however, all schools in the district did not make AYP. Below you will find a list of the schools not making AYP, the reasons for not making AYP and a summary of the actions underway to improve. The principal has a letter and school specific AER that will help answer your questions. These are also posted on the district and school web sites.

School Name	Reason(s) for not making AYP	Key actions underway to address the Issues
Farmington Central High School	Not Meeting the Gradation Rate (38.89%)	Graduation rates will be addressed in Central's School Improvement Plan Every attempt will be made to track students leaving FPS
Harrison High School	Not Meeting the State Objective for Students with Disabilities for Math (50%) and Reading (75%)	Utilization of our Pyramid of Intervention Examine the Explore and Plan Scores of current juniors who are on an IEP Closely monitor progress in all subject areas and determine if IEP is being followed Adjust IEP and supports as necessary to ensure student success Review, revise and implement the skills curriculum in our academic skills period for IEP students
North Farmington High School	Not Meeting the State Objective for Students with Disabilities for Math (36.4%) and Reading (69.7%)	Align self-contained and co-taught classes to the skills of the ACT College Readiness Standards and the Common Core Engage in a complete review of our Special Education program, structure, and curriculum at North, determine what changes need to be made to ensure students meet or exceed standards, and then operationalize and execute those changes

I want to thank you for taking the time to read about Farmington Public Schools. We continue to make progress in meeting our goals of raising student achievement and closing learning gaps for all of our students. Our mantra continues to be "High achievement for all students where learning is our most important work." If you have any questions regarding our Annual Report, please contact Dr. Kristin Gekiere, Director of Assessment at 248.489.3402
