

## **Harrison' Parent Forum**

Harrison' Parent Forum is your opportunity to be an involved participant in your child's high school education.

### **Mission Statement**

*The Harrison High School Parent Forum is a parent organization established to promote communication and understanding within the HHS community. The Forum provides an arena for parents to raise issues with HHS staff and administration, and to receive information from school officials and the Farmington School District. Additionally, the Forum may propose and provide assistance with programs and activities for HHS students, staff, and/or parents.*

The Parent Forum meetings are usually 1.5 hours long. The meetings are held in the Mediated Classroom, located in the Media Center, on the third floor of the school. Enter through the main entrance doors at the west side of the building, the entrance closest to Twelve Mile Road. Valuable guest speakers and timely topics are often included in the agenda. Principal, Aaron Johnson and his staff update us on the school's activities, and respond to a question and answer forum during the course of the meeting.

### **HHS 2010-2011 Parent Forum Meetings: TBD**
