WELCOME BACK TO THE 2010-2011 SCHOOL YEAR!

Our goal is to provide students with a well balanced, nutritious and reasonably priced meal. General information regarding our program is outlined below.

SCHOOL LUNCH – Make the Healthy Choice. Our USDA approved school lunch provides one-third of the Recommended Daily Allowances (RDA) of the five basic food groups for children K-12. Under federal regulations known as “offer vs. serve”, students can opt to take a minimum of three of the five components or all five for the price of a complete lunch.

### LUNCH PRICE

Elementary \$2.60 – **Secondary \$2.85 - \$3.35 (depending on item)**

Milk \$.50

### BREAKFAST PRICE

Elementary \$1.25 – **Secondary \$1.50**

FREE/REDUCED PRICE MEALS –Applications are available to all students at school office or District website under Nutrition Services link. Please complete the form and return it to the Nutrition Service Department. You will be notified by mail whether or not the child qualifies. **If you qualified for free or reduced price meal last year you MUST complete a new form this year before September 17, 2010.** New forms must be submitted before September 17, 2010 or your status will revert back to a “full paid lunch price.” Please allow 10 working days to receive your confirmation letter.

LUNCH SKYWARD DEBIT SYSTEM – Every student may pre-pay for lunches. Students have a key pad number that they will use the entire Farmington Public school life.

We highly recommend that you pre-pay for a minimum of a week’s worth of lunches. A check or online payment is preferred.

**Payments may be made online through “Payschools” on the “Family Access” link on Farmington website. [www.farmington.k12.mi.us](http://www.farmington.k12.mi.us)** Checks should be made payable to Farmington Public Schools with child’s name and keypad number in the memo section of the check. Cash may be used, but be sure to put in sealed envelope with child’s name and keypad number.

Children with any negative balances will be notified via our School Messenger phone system. Family Access is available through our website to oversee deposits and expenses. Please call either your child’s school or nutrition services for family access login name and password. You may mail a check to our office. Please allow 5 days to post.

NSF CHECK POLICY – **The District’s returned check fee is \$20.** Refer to District Policy #5160P available online.
