

TARDY POLICY:

In an effort to help students focus on learning and avoid attendance problems we have implemented a new simplified tardy policy. Students shall receive a one-hour after school detention for each time they are tardy. If a student skips the one-hour after school detention he or she will be given a 3-hour Saturday detention. Students can only be given a maximum of six hours of detention for being tardy. After six hours of detention have been assigned, students will serve a one-day, out of school suspension for each tardy that they receive. In the event a student accumulates three out-of-school suspensions, a parent meeting will be held before the student is allowed to return.

ITEMS DROPPED OFF:

Students should be responsible to bring their money from home when they come to school. When this is not possible, please place the \$ in an envelope and put the student's name on it. While we make every attempt to locate your student by **paging** them in between classes, we are not responsible if they do not receive it.
