FOR RELEASE: Immediate

All invited to Neighborhood House Fund Raiser and 70th birthday celebration for Bob Maxfield - Friday, September 23

Farmington, Michigan—On Friday, September 23 from 7-9 p.m. the community is invited to former Farmington Public Schools' superintendent Bob Maxfield's 70th birthday party open house. The open house will be held at the Longacre House at 24705 Farmington Road, Farmington Hills. There will be a \$25 contribution which includes hors d'oeuvres, birthday cake and a cash bar. Donations collected at this event will be donated to the Neighborhood House. This organization is important to Bob, so the best present you could give him is to donate to the Neighborhood House. LOC Federal Credit Union is sponsoring the dessert at the event.

The Neighborhood House is a Farmington area non-profit agency that supports residents in need to help prevent evictions, utility cut-offs, and provides food, counseling and encouragement. In the past eight years, our community has faced severe economic challenges which has led to the number of children eligible to receive free and reduced lunch to triple.

If you are unable to attend, you can send your donation in honor of Bob to: Neighborhood House, 31544 W. 11 Mile Rd., Farmington Hills, MI 48336. The goal is to raise \$5,000 for Neighborhood House. All donations are tax deductible. Neighborhood House is a 501 C3 organization.
