Farmington Public Schools receives Meritorious Budget Award

Farmington, Michigan---The Association of School Business Officials (ASBO) International announced that Farmington Public Schools has received the Meritorious Budget Award for its 2011-2012 annual budget. The award reflects the commitment of the governing body and staff to achieving the highest standards of school budgeting. The Meritorious Budget Awards program is the only award program specifically designed for school budgeting. In order to receive the award, the District had to meet or exceed specific guidelines for effective budget presentations.

ASBO International is a nonprofit professional association serving more than 6,000 business officials. The organization spent more than two years in the development and establishment of rigorous award criteria in an effort to improve the quality of budgeting throughout the United States and Canada.
