## Farmington Public Schools' Kindergarten Registration Week – March 5 - 9, 2012 for 2012-2013 school year

*Farmington, Michigan*---Before the snow melts, it is time to begin to think of registering for Kindergarten for the 2012-2013 school year. Farmington Public Schools offers a free, full-day kindergarten program for its families.

### **Kindergarten Registration Week – March 5-9, 2012**

This year, Kindergarten Registration Week is March 5-9, 2012. While kindergarten registration can occur at any time, it is best for parents to register their child(ren) as early as possible. Registration for Kindergarten takes place at the child's home school. To register, parents are asked to bring a driver's license and proof of residency such as proof of ownership (deed) or closing documents if the home was recently purchased, current property tax statement, or lease/rental agreement with occupancy date including a list of all occupants. Also needed are any two of the following items: current gas, electric, telephone or cable bill. No water bill will be accepted for this criteria.

### **No Half-day program will be offered for the 2012-2013 school year**

Due to the new legislation that states that school districts will only receive full funding for those students in all-day Kindergarten, the District will not be offering a half-day Kindergarten program. It is important to note that for the past two years, a half-day option was offered but did not run due to the lack of interest to fill the class.

### **Kindergarten Orientation Day – Friday, May 4, 2012**

Information will be shared with NEW Kindergarten parents and their children on Friday, May 4 during Kindergarten Orientation Day. The Orientation will be held in the morning at each elementary school. On this day, there will be no school for current Kindergarten students. Additional information regarding Kindergarten Orientation Day will be shared from each child's home school.

For further information regarding registering for Kindergarten, parents are asked to call their home schools.
