FOR RELEASE: Immediate

Farmington Public School District transitions to a new student information system - Zangle • Parent Connect

Farmington, Michigan — In the past, the District used Skyward with parent access to student information called Family Access. The new system we will be using is called Zangle and parents will use a similar access called Parent Connect.

Comparable to the ability with Family Access, parents will be able to log into Parent Connect anywhere there is access to the Internet. There are quick links on the District's web page www.farmington.k12.mi.us, ("Parent Connect"), as well as on each school's web page. You can also gain access to Parent Connect by typing the following URL into your web browser: <http://zangle.oakland.k12.mi.us/farmington/parentconnect>.

Using Parent Connect, parents/guardians will be able to access information like lunch accounts, attendance, grades, etc. Transportation, and transcripts (grades 9-12) will also be available in this new system.

The week of August 22, families will be mailed new Personal Identification Numbers (PIN) and passwords. Look for this letter in your mailbox! If after trying to log on you have questions, you can e-mail them to parentconnect@farmington.k12.mi.us or call the Parent Connect hotline at 248.489 3303. If you don't receive a letter, please use the same e-mail or hotline.

Students will also receive new Identification Numbers (ID's) as well and they will use this new number to access their lunch accounts. Student ID numbers will also be included in the mailing to parents/guardians.

For more information about Zangle • Parent Connect, please visit our web site at: www.farmington.k12.mi.us/parentconnect
