

Proud Dads Club hosts information meeting for interested fathers—October 20

Farmington, Michigan – On Thursday, October 20, from 6:30 until 8 p.m. in the Harrison High School Media Center, the local Proud Dads Club will be hosting a District-wide meeting. Administrators from each school in the District, along with one to five interested fathers from each school, will learn how to create unforgettable moments with their children and improve their school community.

The local Proud Dads Club, is an off-shoot of an organization founded 11 years ago in Birmingham by Jay Kalisky, and brought to the Farmington/Farmington Hills community through the efforts of Tonya Corbitt, Warner Upper Elementary School Assistant Principal. With the goal of helping dads get closer to their children, the club holds events throughout the school year, to make it easier to come in and do things with their children.

If you would like more information about the Proud Dads Club, or if you are interested in attending the Proud Dads Club meeting, please R.S.V.P. to tonya.corbitt@farmington.k12.mi.us
