Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for Highmeadow Common Campus. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the main office for assistance.

The AER is available for you to review electronically by visiting the following web site www.farmington.k12.mi.us/schools/annualreports or you may review a copy from the main office.

For 2010-2011, Highmeadow Common Campus made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

I want to thank you for taking the time to read about Highmeadow Common Campus. We continue to make progress in meeting our goals of raising student achievement and closing learning gaps for all of our students. Our mantra continues to be "High achievement for all students where learning is our most important work."

Sincerely,
